General Tracking and Cautionary Disclaimers are as follows:

No dogs are allowed to be "off lead" due to the changing nature of the fields used by clubs for tracking tests and the increased population at these sites by the general public. Dogs shall be "on lead" at all times on any area of the tracking site. Cancellation of Event may occur due to extreme hazardous weather conditions as determined by the Tracking Committee and Judges.

Face masks and social distancing will be required and updated information will be available the week before the trial and sent to all participants by email.

A worker draw will be used for this test in accordance with the parameters set forth in Ch. 1, Sec 17d of the Tracking Regulations and as determined by the Board of Directors. For each the TD and TDU, 1 track will be set aside for a worker. Tracks may be exchanged between the two tests.

WHEN THE ADVERTISED LIMIT OF ENTRIES has been drawn, all remaining entries, subject to the same preference set forth above, shall be drawn for a position on the Alternate List, corresponding to the order in which they were drawn. The test secretary will notify all entries of the results of the drawing by email if a valid email address has been provided. Entrants may call the test secretary (207) 458-7968 until 8:00 PM concerning the results of the drawing.
