Tracking has been his primary passion for the last 25 years. Along with a number of TD's, TDU's and TDX's, he has attained four Champion Tracker titles on his dogs. Mike presents seminars on all levels of tracking around the country and is an AKC judge at all levels. He has published articles on tracking in numerous newsletters, as well as in Front and Finish Magazine, and the American Kennel Club Gazette. In 2019, his article "Mindful Tracking", based on using Mindfulness concepts to improve handler performance was a feature article in the Gazette and was re-published in "Track on...", the newsletter for the Tracking Club of Victoria in Australia. He enjoys teaching tracking and paying forward all the knowledge and encouragement he received from others early in his dog training career. His seminars are focused on building skills in a strategic manner, while making it a positive experience for the dog and handler. He is highly revered for his practical advice and use of humor in training.
