## A Strategic Approach to Tracking, Building a Strong Foundation

Mike Roehrs • Online Zoom • \$30

FMI: Bob Cuzner • [becuz4218@gmail.com](mailto:becuz4218@gmail.com)

**M**ichael Roehrs has been involved in canine sports for over 35 years. He has successfully competed in Obedience, Agility, Rally, Barn Hunt, Hunt Tests, Dock Diving, Tricks, Scent Work, and Tracking. In addition, he is a breeder of top winning (including multiple Best in Show) Field Spaniels, under the Kennel name of Windward. He was named “Sportsman of the Year” in 2018 by the Field Spaniel Club of America for his contributions to the club and the breed.

Tracking has been his primary passion for the last 25 years. Along with a number of TD’s, TDU’s and TDX’s, he has attained four Champion Tracker titles on his dogs. Mike presents seminars on all levels of tracking around the country and is an AKC judge at all levels. He has published articles on tracking in numerous newsletters, as well as in Front and Finish Magazine, and the American Kennel Club Gazette. In 2019, his article “Mindful Tracking”, based on using Mindfulness concepts to improve handler performance was a feature article in the Gazette and was re-

published in “Track on...”, the newsletter for the Tracking Club of Victoria in Australia. He enjoys teaching tracking and paying forward all the knowledge and encouragement he received from others early in his dog training career. His seminars are focused on building skills in a strategic manner, while making it a positive experience for the dog and handler. He is highly revered for his practical advice and use of humor in training.

### WORKSHOP DESCRIPTION

Limit 25 participants and DTCM members will have first preference. Member entries must be received by Friday June 5th, after which non-member entries will be accepted. Only completed registration forms with checks will be accepted to guarantee a spot in the order in which they are received in the mail. No requests to hold a slot in advance via email or other means will be accepted
